Sidharth Yadav - 2301730339

Key Feature: User-Friendly Interface

Menu Browsing

High-quality images and clear descriptions of dishes.

Diet Filters

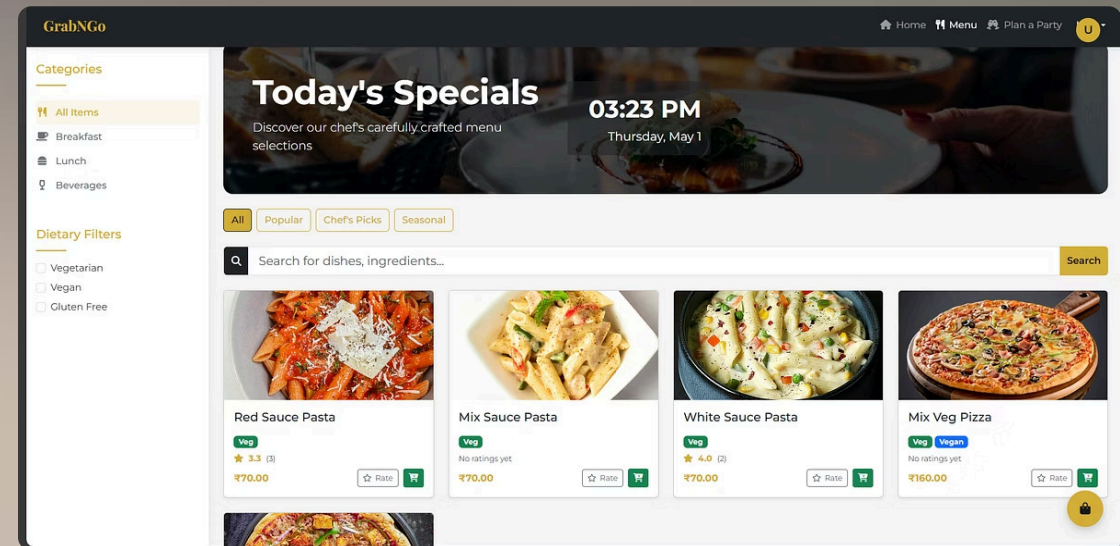

Filter by vegetarian, gluten-free, and other restrictions.

Fast Search

Quick access to favorite or popular items.

Example

Sort menu by "Most Popular" to find top-rated dishes.

Key Feature: Real-Time Order Tracking

1

Accurate ETA

Estimated pick-up times shown clearly.

2

User Notifications

Receive alerts via app or SMS when ready.

3

Example

"Your order is being prepared - ETA 5 minutes."

Key Feature: Secure & Convenient Payment Options

Multiple Methods

Credit/debit cards, mobile wallets accepted.

Saved Preferences

Store payment info for faster checkout.

Pre Booking for parties

Book your food for parties/functions.

Secure Transactions

PCI DSS compliance ensures data protection.

Key Feature: Customization and Special Requests

Order Customization

Add special instructions like "extra spicy" or "no onions".

Available Add-Ons

Choose from multiple modifications to tailor your meal.

Diet Accommodation

Effectively handle dietary needs and preferences.

Example

"Add extra cheese and jalapeños to my pizza."

*Ceppi ya cuttanas
caun y ted tend. !*

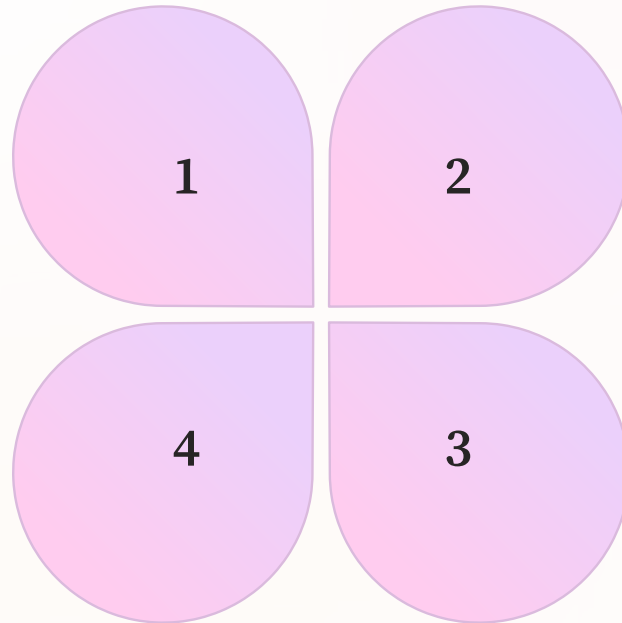

Benefits: Reduced Wait Times and Congestion

Faster Service

Cut average wait times by 50% during pilot.

Example

Serve 2x more students at peak lunch hours.

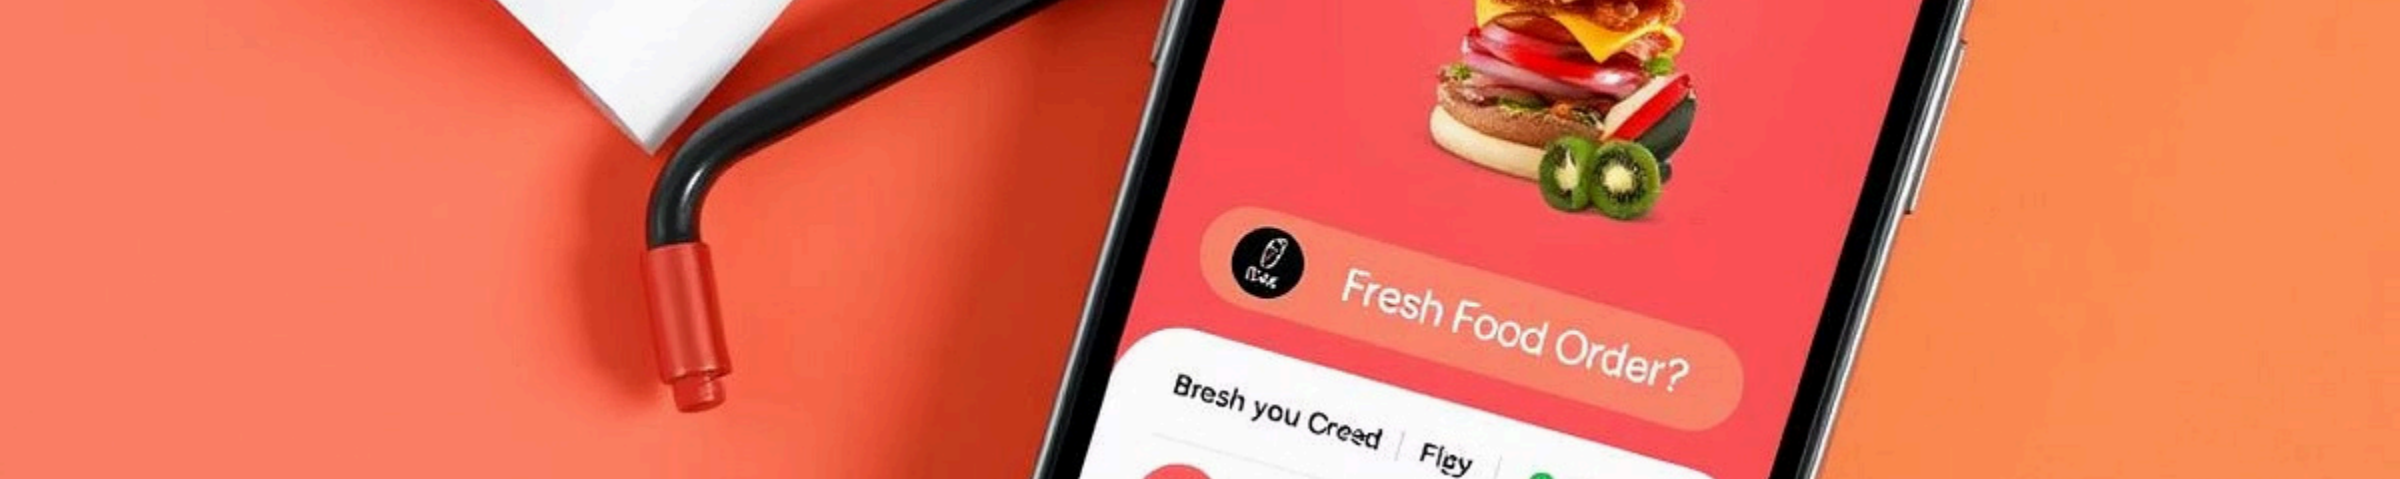

Shorter Queues

Minimized congestion for a comfortable canteen environment.

Staff Efficiency

Streamlined order processing boosts canteen productivity.

Benefits: Enhanced Order Accuracy and Transparency

Reduced Errors

Less mistakes compared to manual orders.

Order History

Track past orders with digital receipts.

Inventory Management

Better stock control reduces food waste.

Example

Review and reorder favorites easily.

Conclusion: A Smarter, More Efficient Canteen Experience

Improve Student Life

GrabNGo enriches dining at college canteen.

Innovative Tech

Embrace technology for seamless campus dining.

Continuous Feedback

Open to suggestions for ongoing improvements.

Next Steps

Q&A session to address your questions.
